- m. Congratulations! You have arrived!
- 2. Command line work will be done using AWS Cloud9 IDE. We will walk you through the setup steps at the start of Hands-on Session 1 and Hands-on Session 2
- 3. Note:
  - a. We highly recommend that you join the 8:30 (UTC+2) Welcome & Tech Setup session to check that your environment is working correctly. You will be able to re-join later with the same event hash, repeating the steps above.
